*I'd like to express my deepest gratitude to all the people who have so selflessly helped me~*

*My special gratitude goes to my father-in-law, who willingly gave his time and sacrificed his life of comfort in Taiwan to come to the United States to help me take care of Jacob. If it were not for your personal sacrifice and help, I would not have been able to return to school, and this recital would have just been an impossible dream. You are the bravest warrior who stands in the front line of the battlefield. I am forever grateful to you!*

*Thank you, my family in Taiwan. Your continuous prayers from far away provide the strength for me to take every step forward.*

*Thank you, my husband in Illinois. Even though you cannot be here because of your studies, I thank you for your support.*

*Thank you Jacob. Even though you are only two and half years old, you are a channel of blessing, a marvelous source of comfort, joy, and inspiration in my life.*

*Thank you my sister-in-law and all the friends in my church for all your help and encouragement.*

*I also want to give my special thanks to my wonderful teacher Mr. Hamilton, thank you for your patience and inspiration.*

*May God bless you and may He be glorified.*

*Sincerely,  
Chieh Chien*
