# Thank You

## *Mom and Dad*

Wow, where do I even begin? You've both been there from the start. Countless violin lessons, rehearsals, auditions, and concerts. Thank you for always being there and being the supportive parents that you are. You've always encouraged me to try my hardest in everything I do, and I thank you for that. I hope I make you both proud!

## *Family and Friends*

Thank you all so much for coming this evening! I know some of you had to travel far and it wasn't at a convenient time for some, but it means a lot to me that you all came. I'd also like to especially thank my stepdad, Andrew, for believing in me enough to build a studio. It's been great having this nice space for practicing, recording, and teaching!

## *Current and Former Teachers*

Stephanie - Thank you for not only being a great teacher, but an amazing friend. I can't thank you enough for everything that you've done for me. You've been a huge influence in my life and I wish there were more people in this world like you.

Dr. McLin - Thank you for all that you've taught me here at ASU thus far. I'm very grateful to have a teacher that challenges me each week and has higher expectations of me than I have for myself.

## *Church Community*

Thank you, God, for planting me in a church like HOPE where I'm surrounded by people who continually encourage and challenge me to grow in my faith and relationship with Christ. This directly affects everything in my life, including music.

## *A Special Thanks to*

All the musicians who joined me for my recital tonight. It has been a pleasure playing with you all and I hope we can continue to work together in the future. I'd also like to thank Andres, Jen, and Nikk for providing their photography/videography skills. Looking forward to seeing how everything comes out! And lastly, I'd especially like to thank my friend, Tyler, for teaching Jonathan and me bluegrass music. I've grown to love it and I've had a lot of fun playing with you guys and learning this style. Whu hu hooo!
