**Maria - Lyrics by Stephen Sondheim**

The most beautiful sound I ever heard:  
Maria, Maria, Maria, Maria  
All the beautiful sounds of the world in a single word  
Maria, Maria, Maria, Maria  
Maria!  
I've just met a girl named Maria,  
And suddenly that name  
Will never be the same  
To me.  
Maria!  
I've just kissed a girl named Maria,  
And suddenly I've found  
How wonderful a sound  
Can be!  
Maria!  
Say it loud and there's music playing,  
Say it soft and it's almost like praying.  
Maria,  
I'll never stop saying Maria!  
The most beautiful sound I ever heard.  
Maria.

**Not While I'm Around - Lyrics by Stephen Sondheim**

Nothing's gonna harm you, not while I'm around  
Nothing's gonna harm you, no sir, not while I'm around  
Demons are prowling everywhere nowadays  
I'll send them howling  
I don't care, I got ways  
No one's gonna hurt you,  
No one's gonna dare  
Others can desert you,  
Not to worry, whistle, I'll be there!  
Demons'll charm you with a smile, for a while,  
But in time...  
Nothing can harm you  
Not while I'm around...  
Being close and being clever  
Ain't like being true  
I don't need to,  
I would never hide a thing from you,  
Like some...  
No one's gonna hurt you, no one's gonna dare  
Others can desert you,  
Not to worry, whistle, I'll be there!  
Demons'll charm you with a smile, for a while  
But in time...  
Nothing can harm you  
Not while I'm around...

**Nobody Needs to Know - Lyrics by Jason Robert Brown**

Hey, kid - good morning  
You look like an angel  
I don't remember when we fell asleep  
We should get up, kid  
Cathy is waiting...  
Look at us, lying here  
Dreaming, pretending  
I made a promise and I took a vow  
I wrote a story  
And we changed the ending  
Cathy, just look at me now!  
Hold on, facts are facts  
Just relax, lay low  
All right, the panic recedes:  
Nobody needs to know  
Put on my armor  
I'm off to Ohio  
Back into battle till  
I don't know when  
Swearing to her that I was  
Never with you  
And praying I'll hold you again  
Hold on, clip these wings -  
Things get out of hand  
All right, it's over, it's done  
No one will understand  
No one will understand...  
We build a treehouse  
I keep it from shaking  
Little more glue every time that it breaks  
Perfectly balanced  
And then I start making  
Conscious, deliberate mistakes  
All that I ask for  
Is one little corner  
One private room  
At the back of my heart  
Tell her I found one  
She sends out battalions  
To claim it and blow it apart  
I grip and she grips  
And faster we're sliding  
Sliding and spilling  
And what can I do?  
Come back to bed, kid  
Take me inside you  
I promise I won't lie to you  
Hold on, don't cry yet  
I won't let you go  
All right - the panic recedes  
All right - everyone bleeds  
All right - I get what I need  
And nobody needs to know  
Nobody needs to know  
And since I have to be in love with someone  
Since I need to be in love with someone  
Maybe I could be in love with someone  
Like you...
