## Landslide

Getting up and getting dressed  
Climbed in the car, drove and I left  
And we all went to work, school or to volunteer  
Well, that's called growing up  
Oh, thank you mom and dad for your love  
I have loved ones who are supportive  
I have friends who lend a helping hand  
We hang out and sit together when we can

Well, I've been afraid of changing  
'Cause I've built my life around you  
But time makes you bolder  
Even children get older  
I'm getting older, too.

Oh, I'm getting older, too.
