Welcome to the twelfth of our series of evening "Showcase"
Concerts featuring student chamber music ensembles coached by
faculty of the School of Music.

You might think of chamber music as a laboratory of sonic
interactions, and our aim is to present great textural and stylistic
variety...an extensive and eclectic menu of delights. Come, listen,
enjoy, and tell others of the riches of live performances of the wide
gamut of chamber music's multi-flavored tapestry in sound.

Ralph Lockwood
Coordinator of Student Chamber Music
