*Recitative*

This is at last the moment,  
so divine and so cherished,  
I longingly awaited.

Soon he will come here,  
with loving arms embrace me,  
and no worry or fear shall mar our rapture!

Close to the heart of nature's friendly powers,  
delicate, fragrant flowers,  
the pine trees, the sky surrounds us.

Aiding the lovers,  
night casts her veil around us!

*Aria*

Beloved, don't delay, the night is falling.  
Hasten where love's delight is sweetly calling.  
Until the stars grow pale, and night is waning,  
while the world is still and calm is reigning.

The brooklet rustles on, the breeze is blowing,  
and the timorous heart with hope is glowing.  
The flowers all with shining dew are gleaming,  
while the world is long asleep and dreaming.

Come, my beloved, the starry sky above you.  
Come, my beloved! Come, my beloved, with all my heart,  
I love you.  
Come, my beloved, with all my heart, with all my heart,  
I love you.
